

Be *in the* Know

— Summer 2026 —

As a result of the recent population increase in the eastern Coachella Valley, our community is experiencing a significant lack of recreational and youth development opportunities. Boys & Girls Clubs of Coachella Valley (BGCCV) is thrilled to announce our new initiative that provides transportation for children from the local Mecca elementary school and surrounding housing developments to our Mecca Clubhouse on a daily basis. We extend our gratitude to the generosity of

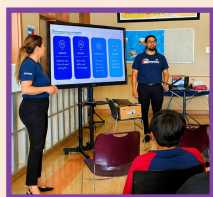

Jane & Rich Ramsey

whose contribution has allowed us to acquire two new transport vans and an additional staff member to support this initiative. Jane and Rich, we express our heartfelt thanks on behalf of everyone here at BGCCV!

MECCA TRANSPORTATION PROGRAM

Financial Literacy Day - Indio Clubhouse

Thank you to *Jacquie & Michael Casey*

for supporting this new multi-pillar initiative, Building Bridges to Success, focusing on building stronger futures for our youth through:

- Supporting college and career readiness by building a strong academic foundation.
- Improving core life skills, financial literacy, health & wellness, and mental fitness.
- Expanding opportunities through leadership development and internship and apprenticeship placements.

We are grateful for your support, Jacquie and Michael, through your

Building Bridges to Success
program.

Connie & Bob Lurie

Workforce Development & College Career Readiness Initiative

This new initiative is designed to focus on having students better prepare for the future with support from the workforce development coordinator & college career development readiness support team. This initiative aims to ensure youth are prepared for the next step in life upon graduating from high school. We accomplish this by exposing them to different professions and having them look into various trade schools and colleges.

Our Workforce Development Program in action!

Mecca and Coachella Club kids recently visited Stuff Pizza in La Quinta and experienced first hand what it takes to operate a successful business. From hostess and server to busser, dishwasher, cook, and pizza maker, our Club kids learned about the responsibilities and teamwork behind every position.

The kids were fully engaged throughout the entire process, gaining experience in the restaurant industry, while having fun along the way!

A Message from our Past Board Chair...

I wish to convey my sincere appreciation to Boys & Girls Clubs of Coachella Valley for granting me the opportunity to serve as your Board Chair over the past 5 years. It has been both an honor and a privilege to be involved with such a strong organization committed to improving the lives of the youth in our community. Thank you, once again!

Lee Osborne

INDIO TRANSPORTATION PROGRAM

Dana Nanciagli & Nathis Dunn

Thank you for your generous support in making this important initiative a reality. Because of your charitable spirit, we are now able to transport children each day from Imagine School and Roosevelt Elementary to our Indio Clubhouse. These Club members now have access to high-quality after-school programs and youth development services that will help them build confidence, develop essential life skills, and stay on the pathway to success.
